DENZA B8

Elegant Design, Smart Tech,
Powerful Performance

Effective across every terrain

Advanced DMO engineering, superior hybrid drive

Drive System

Smart electric
four-wheel drive

Suspension System

*Dual-link suspension (front and rear)
Smart hydraulic
suspension system - **DiSus-P**

*Available on select models only

Platform

A high-performance dual
hybrid platform (DMO) built
for off-road driving

Designed for every terrain

Power and control, with stability across every terrain

Mode | Sport

Mode | Mud

Mode | Sand

Mode | Intelligent U-Turn

Mode | Rock

Mode | Mountain

Mode | Custom

Mode | Rage

Mode | Crawl

Denza B8, designed to exceed expectations

Driving experience elevated in every detail of the journey

Total range:
825 km
(WLTC)

Acceleration
(0–100 km/h)
4.8 seconds

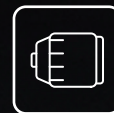

Total power:
748 hp
Total torque:
760 N·m

Electric-only range:
85 km
(WLTC)

Battery capacity:
36.8 kWh
BLADE LFP

Fuel engine:
2.0L Turbo

Details that make the difference

Designed for comfort. Built to stand out

Charging Features

AC Charging:
11 kW

DC Fast Charging:
120 kW

Fast-charging time:
20 to 30 minutes to charge
a range of 125 km (per CLTC standard)

Additional Features

Advanced sound system by DEVIALET

Built-in in-car storage compartment with cooling and heating

Adjustable armrest and height-adjustable gear shifter

Fast wireless charging pad 50W

Distinctive crystal buttons that enhance the driving atmosphere off-road

Safety Features

Smart systems and innovative visual solutions for a safer, more confident drive

Smart obstacle avoidance with faster braking and a shorter stopping distance, enhancing safety and peace of mind while driving.

14 airbags for comprehensive, all-round protection for every passenger.

Infrared night vision, with a range of up to 300 meters, detects people and animals in advance to enhance the safety of both the driver and pedestrians.

ADAS — Advanced Safety Systems

- Front Collision Warning system
- Rear Collision Warning system
- Lane Change Assist
- Traffic Jam Assist
- Anti-lock Braking System (ABS)
- Electronic Brakeforce Distribution (EBD)
- Brake Assist
- Vehicle Stability Control system
- Traction Control System
- Collision sensors
- Front, side, and curtain airbags
- Seatbelt reminder system and height-adjustable front seatbelts

Comfort elevated in every moment

A luxurious cabin with genuine leather and an 18-speaker sound system, for greater comfort and a more distinctive experience

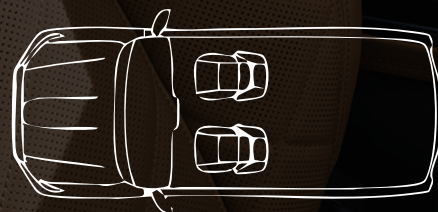

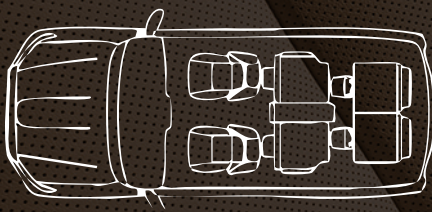

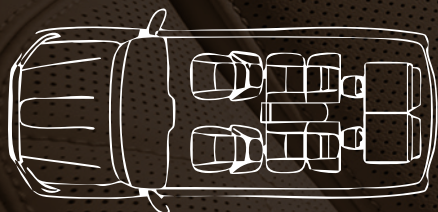

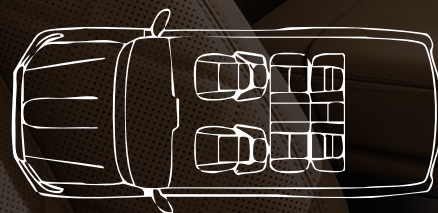

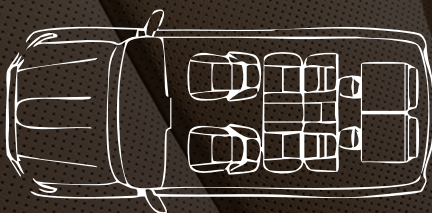

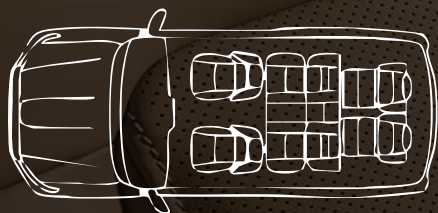

Flexible seating options for every journey

Spaciousness that adapts to your needs

6 or 7 seats for greater flexibility on every trip

An interior design that keeps pace with every travel style

Multiple seating configurations for every family and journey

A driver-centered control layout

An intelligent driving experience

The center console features a design inspired by a cockpit, with precise, durable switches that ensure ease of use and quick access to essential functions, giving the driver confident control and a focused driving environment, free of distraction.

Bold colors, limitless possibilities

A presence that reflects your personality on every journey

Exterior Colors

● Shadow Black

● Golden Dawn

● Moonlight Silver

● Snow White

● Lake Glow Green

Interior Colors

● Wheat Yellow

● Dark Black
